

Plagiocephaly Experts

Why choose Union?

Orthotics & Prosthetics CO.

- 12 convenient locations in Western Pennsylvania
- We accept direct pediatrician referrals
- Free evaluation by one of our Plagiocephaly Experts
- We accept all major insurances including UPMC
- 98% of our patients achieve correction with only one helmet

STARscanner System

Two styles available:

(fabricated by Orthomerica™, FDA approved manufacturer)

STARlight

- #1 parent preferred style
- Least bulky on the market which improves neck alignment
- Smooth material improves hygiene to reduce odor and skin irritation

STARband

- #1 most provided cranial remolding orthosis treating over 350,000 infants worldwide
- ½" foam lining allows maximum adjustability
